Demo Derby
CHESTERVILLE – Chesterville and District Agricultural Society is hosting a season ender bender demolition derby, October Smash '17, run by Ontario Demolition Derby. Car registration is \$50, with each driver receiving a loot bag worth just as much, according to CDAS President Carol Johnson. Start time is 1:30 p.m. with the 2nd Annual Barn Dance at 8 p.m. and Pie Auction at 10 p.m. at the Chesterville Fairgrounds. Music by DJ Ken Merkley.

Cooking classes
WINCHESTER – Community Food Share is offering the opportunity to learn how to cook nutritious and affordable meals in a fun, relaxed and friendly atmosphere. The first class is Wed., Oct. 25 and will focus on breakfast recipes for whole grain bread and porridge. All classes are at St Paul's Presbyterian Church, Winchester, 11 a.m. to 1 p.m. Led by Shelley Spruit (Against the Grain Farms), the first six classes focus on adding whole grains to a regular diet. Classes are free and are limited to 25 participants. RSVP Colleen Brock at 613-363-0956, or email brockc12@sympatico.ca.

Ontario Pride Eggs layoffs in Monkland

Candice Vetter
 Record Staff

MONKLAND – Ontario Pride Eggs, the former Monkland Egg Grading Station, is reducing its size, staff and tasks. On the morning of Wed., Oct. 4, about 16 employees were given their notices, leaving a few staff there currently.

The old plant, which is still in its original building and is 58 years old, will retain about five employees, and will serve primarily as a shipping, docking and sales depot for this region. Remaining staff will manage the warehouse and sales.

Morrisburg Fire Station Open House kicks off Fire Prevention Week

MORRISBURG – Christa St. Pierre, Public Education Officer for South Dundas Fire Services, was pleased with the turnout at the Open House held at the South Dundas Fire Station in Morrisburg on Oct. 7. The Open Houses in Iroquois and Morrisburg are used to kick off Fire Prevention Week in Ontario which runs from Oct. 8-14.

The goal of the Open House was to stress "the importance of the theme of Fire Prevention Week this year, which is every second counts, plan two ways out," said St. Pierre. She mentioned how South Dundas Fire Services plans to visit each school in South Dundas between Oct. 8 and 14.

Prepared with an umbrella

Frank Joly competed in the Stormont County Plowing Match in Berwick on Sat., Oct. 7, driving an antique McCormick built in 1949. He travelled to Berwick from Rockland to participate in the Match. Joly was one of the lucky participants in the morning who had a bit of cover from the rain. He joked that the umbrella may not be vintage '49, but a newer addition. Joly has been competing in plowing since 2001.

Stormont County Plowing Match draws crowds on Thanksgiving weekend

Michelle O'Donohue
 Record Contributor

BERWICK – On Sat., Oct. 7, crowds gathered at the farm of Patsy Casselman on County Road 9 to see 43 competitors in a range of five classes compete for top plowing honours. An additional seven 4-H members competed in their achievement day as well. Classes ranged from horse plowing, to antique, and more modern implements. It has become a bit of a tradition to hold the match on Thanksgiving weekend, but the busy weekend certainly did not deter spectators from coming out to show their support. For a second year in a row, participants and spectators braved rainy skies to engage in the festivities.

It was a full day of activities, with registration beginning at 9 a.m. and the evening's banquet, held at the North Stormont Arena Hall, starting at 7:30 p.m. To add to the draw for families, there were wagon rides available, as well as the ever-popular Queen of the Furrow and Princess of the Furrow competitions. After a year of representing Stormont County at various events, culminating in the International Plowing Match in Huron earlier this fall, 2016/2017 Queen of the Furrow Kayla Manley of Newington and Princess of the Furrow Haleigh-Jo Teplate of Finch were both re-crowned in their respective categories to represent Stormont County for another year as the 2017/2018 winners.

OCTOBER IS BREAST CANCER AWARENESS MONTH

I am...

Get involved during Breast Cancer Awareness Month

One in nine Canadian women will develop breast cancer. That's a daunting figure, but the good news is that the survival rate is 14 per cent higher today than it was 25 years ago. During October – Breast Cancer Awareness Month – the Canadian Cancer Society (CCS) invites all Canadians to celebrate these improvements and then take action to save more lives.

The CCS suggests several ways you can participate in the month-long campaign.

- 1. Find a way to get involved.** Host a fundraising event for breast cancer awareness, or participate in one. Check out the ManiCURES program, or volunteer to do some breast cancer screening education. Talk to your provincial chapter of CCS to find out how.
- 2. Get screened.** Breast cancer screening helps identify cancer early so the treatments can be more effective. Talk to your doctor to see if it's appropriate for you.
- 3. Make a donation.** Sometimes life gets busy and the most you can do is click on a "donate" button. That's great, because every dollar counts.
- 4. Take advantage of support services.** If you have breast cancer or you're close to someone who does, check out the support services offered by the CCS at cancer.ca/en/support-and-services/support-services/how-we-can-help.

Meet the new Scotiabank Branch Manager

Muriel Carruthers
Record Staff

CHESTERVILLE – Transferred from the South Mountain branch recently, Nancy Miller-McKenzie has joined Chesterville’s Scotiabank as the new Branch Manager. The framed certificates of accomplishment positioned above her desk in such a modest office for the position reflect well her humility and professionalism.

Nancy Miller-McKenzie

Miller-McKenzie, the youngest in a family of six children born and raised in Mississauga, remarked that “people have always been my strength.” From a young age, she said, she had an interesting childhood and remembers how at age five she would escort her mother to various functions, including spending a lot of time at the curling club. With five older siblings, she

“soon learned how to be personable.”

Having started 30 years ago in a credit union, first as a teller, Miller-McKenzie soon realized she really loved the client contact. She excelled quickly, moving from the teller position to the side counter, then to GICs, term investments, loans,

mortgages to eventually becoming a loans officer and a manager. She was one of the first people licensed in 1993 to sell mutual funds in the banking system.

In 2002, she joined Scotiabank as a financial planner, has her certified financial planner designation and became the

manager in 2013 at the South Mountain branch.

With the matching funds grant program, Scotiabank contributes to fundraising in the community. Staff have to be present and participate at the community fundraising events and volunteer their time, she said, and she will be right there with her team helping out.

Miller-McKenzie is customer- and community-focused, and her goals follow the Scotiabank vision of “You’re richer than you think.” She too is there to make sure current and future clients’ financial health with good planning remains in good shape. She is looking forward to meeting people in the community and welcomes anyone who wants to meet her. Just call to set up an appointment: 613-448-3909.

Cutting the ribbon

Main Street Clothing Company owner Lisa Williams stands with North Dundas Council members to cut the ribbon in front of her new store location. From left are Councillor John Thompson, Mayor Eric Duncan, and Deputy Mayor Gerry Boyce. The Winchester-based company celebrated an exciting milestone over the Thanksgiving weekend. On Sat., Oct. 7, a ribbon cutting ceremony was held to mark the opening of its second location. This new store has taken over the place of Annable’s Jewellery after the retirement of Gary Annable earlier this year. In addition to the new location, the company was also celebrating the three-year anniversary of the original apparel store. The existing location was rebranded Main Street Clothing Company Family Apparel, and the new location, has opened as Main Street Clothing Company Ladies Fashions & Accessories. The new location was closed for a month for renovations. Remark on the quick turnaround time for renovations, Williams explained that she used all local contractors from the community, “so they were committed to making it happen on time.” Williams went on to note that the location holds special significance for her because her sister owns the business next door, Cup of Jo’s. *O’Donohue Photo*

Ontario Pride Eggs

Continued from the front

The egg receiving, grading and packaging portion of the business will all be through the new facility. Nutrigroupe, which Ontario Pride Eggs is part of, built the state-of-the-art plant in Kitchener and opened it in February of this year.

In a telephone interview with *The Record*, Corey Deschamps, general manager, confirmed the changes. “It was a tough business decision we had to take, based on the new facility in Kitchener. The old facility

did an excellent job, and we’re very proud of the amazing work our employees did. But the building is 58 years old, and the new plant is close to the GTA, which is our biggest market.”

In 2011, Ontario Pride Eggs, which is now a nationwide company, also acquired Best Choice in Toronto.

Deschamps said human resources professionals are working with staff and their families during the transition, including providing retraining and that all opportunities to retain staff would be looked at, “wherever it makes sense.”

Ontario Pride Eggs took over the egg grading station in 2009. The station had started in 1957 as the Monkland Egg Grading Station, and by 2014 had about 30 employees and had the capacity to process up to 57,000 eggs daily on an assembly line.

A factor in the business decision was the continuous need to upgrade the building to comply with evolving food safety, municipal and environmental regulations. “With the old building we needed to put in too much in money and renovations,” Deschamps said.

Doubling gifts, extra tax credits for high-priority need equipment

WINCHESTER – Many fundraising programs have been running for a long time at the WDMH Foundation, but thanks to many donors and an anonymous – and very generous – donor, a new program has already raised over \$100,000 in only two years.

“Everyone gives for a different reason, but we do know that impact to the cause is one of the most important reasons someone will choose to make a gift, and that’s part of why we are so honoured and grateful for the support of this anonymous donor,” explained Foundation Managing Director, Kristen Casselman.

Donors who make a gift by Friday, Nov. 3 towards the “Thanksgiving Matching Gift Program” either through the newspaper, in person at the WDMH Foundation office, or online on Canada Helps at <https://www.canadahelps.org/en/charities/winchester-district-memorial-hospital-foundation/> will have their gift doubled, up to a maximum of \$25,000.

Funds raised will be directed to the General Equipment Fund in support of equipment like a new echocardiogram machine – WDMH’s highest priority equipment need this year. WDMH is seeking to replace their echocardiogram (ECG) machine in order to maintain and expand their ability to look at patients’ hearts clearly.

An ECG is equipment that uses sound waves to make images of the heart. It allows technicians and cardiologists to see the heart’s structures, and the heart beating and pumping blood. Last year alone, over 1,000 ECGs were performed at WDMH, so the machine sees regular use.

This kind of volume has pushed the current piece of equipment to the end of its life. They have made excellent use of the ECG and it has served many patients well over the years, but unfortunately, there are some issues with it. For example, it doesn’t provide clear images in comparison to new technology, and patients might have to go elsewhere to repeat the test if the results aren’t clear. There is no way that staff can even consider expanding patient services with the machine they have.

Casselman shared that the ECG will cost approximately \$175 000, but wants donors to know that “every donation counts, and brings us one step closer to being able to have equipment like a new ECG on site to expand services, providing “stress echo” and “contrast” procedures on site, which we aren’t currently able to do. Further to the \$25,000 matched dollars from the anonymous donor, if you are a “first-time donor” as defined by the following terms, you can receive an extra 25 percentage points to your federal charitable tax credit, under the “First-Time Donor’s Super Credit” program announced by the federal government in the 2013 Budget.

This super credit program apparently hasn’t been well utilized by taxpayers, so Casselman is throwing out a challenge. Her encouraging challenge is: “If you or someone you know hasn’t given to charity before, or haven’t claimed any donations since before 2007, I urge you to make your donation now. You will have your gift doubled by the matching gift donor, and also receive a much larger tax credit for your gift than normal.”

For example, currently it would “cost” you approximately \$260 to make a gift to charity of \$360, but under this “Super Credit” program, it would only cost approximately \$165 to make that same impactful gift. Google “Imagine Canada First-Time Donor’s Super Credit”, or visit the Foundation’s website at www.wdmh.on.ca/foundation to learn more about eligibility for this tax credit that is expiring this December.

CASTOR Country

By Tom Van Dusen

Pie in the sky

The 2017 Van Dusen family Thanksgiving didn’t follow the same well-worn path established over the past 25 years or so... but that didn’t make it any less heartwarming and rib-sticking.

Since anyone can remember, hosts for the gathering have been my brother Peter and my sister-in-law Ana who loves to entertain in her Centrepointe home. Must be the Serbian in her!

But lately she’s been experiencing health and habitation challenges with her aging parents which caused her to cancel; she insists she’ll be back with a bigger family doo than ever next Thanksgiving.

As a result, the central get-together this time splintered off into smaller sessions for some of us in North Russell at my brother Mark’s on Saturday, and at Dunn’s Diner on Elgin Street on Sunday; it’s close to my mother’s apartment... and to her church where a memorial mass for my late father preceded lunch which featured a combined Thanksgiving and Happy Birthday cake for my sister Tina.

Other than the peaceful setting and my sister-in-law Joan’s tremendous hosting ability, the main attraction at Mark’s was the tender turkey grown right on their hobby farm. In fact, the bird that graced the table and its former feathered barnyard mates took that last ride to the slaughterhouse only a few days before dinner.

A downside of no central party this year was that we didn’t get to hear Mark in full regalia conduct his annual recital of “When the Frost is on the Punkin” by James Whitcomb Riley. Last year, he did it dressed as Donald Trump. A consummate artist, Mark will only perform if crowd size warrants it.

Yes, Thanksgiving weekend turned out well. The only indigestion I experienced was caused not by the food but by Hydro One and its latest fall propaganda push to portray itself as a warm and fuzzy friend of electricity consumers.

Last fall, the strangely disconnected, universally reviled utility circulated a 20-page buff coloured booklet entitled “Savour the Season” replete with wholesome line-drawn icons on the cover such as a little family with a dog and a balloon. Readers were invited to “harvest” the contrived coupons inside.

While humble pie would be more appropriate, this year’s 20-page booklet has icing-drizzled seasonal pumpkin pie as the folksy cover image as Hydro tries to convince

consumers it has our best interests at heart while sticking its collective pie-stained hand into our jeans to pull out more cash.

If you haven’t seen it, guess what words the white drizzle spells out: “Energy Savings as Easy as Pie.” It makes you want to toss a big fat pie in the collective face of Hydro’s overpriced executives.

Do you think we were born yesterday, Hydro One? We customers know that meaningful energy savings are impossible, that any slim ones we might achieve by turning off every light and appliance in the house except for one hour a day will be snapped up through increased rates and inexplicable new charges!

The front cover reveals there are new “Save on Energy Deal Days” and heating and cooling rebates. I wonder how those gimmicks will end up biting us on the butt. The back cover contains odds and ends of information, including that a Hydro One Road Show is travelling the province as a means of providing better service. The best service would be to get the damned rates down to something affordable!

Inside, Hydro gives us a simple tip for making dessert “deliciously light on electricity”: Don’t turn on the oven! It turns out the pie is actually no-bake cheese cake made with packaged refrigerated ingredients. There’s no tip about turning off the fridge.

The booklet also tells readers how to make “Mason Jar Mummies” with the jars, gauze, googly eyes and tea lights. “It’s wicked fun.” Thanks Hydro... that really helps ease the pain! And here’s proof the money-grubbing utility has a sense of humour: “Why don’t mummies go on holiday? They don’t like to unwind.” Har, har!

The booklet reveals the top eight places that electrical phantoms lurk inside the home, mostly in electronics installations. Unplug them, Hydro simplistically recommends.

We’re urged to spend a ton of money on gizmos such as Energy Star certified light fixtures, LED bulbs and dimmer switches to help combat exorbitant Hydro rates. For those poor saps that have electrically warmed homes, they should install air-source heat pumps and get rebates of up to \$4,000... or convert to natural gas, which the pamphlet doesn’t suggest.

The frost is on the punkin indeed!

Glow Dance this week

We hope everyone had a great Thanksgiving and enjoyed their long weekend.

This past week North Dundas hosted many sports. Senior girls’ basketball team played on Wed., Oct. 4. They did their best but were defeated by Holy Trinity. On Thurs., Oct. 5, the girls’ 7’s rugby teams competed against visiting schools. Although both of our teams played their

hardest, only one of them won a game.

The second annual North Dundas Cross-Country Invitational took place on Fri., Oct. 6. With 18 schools and over 300 kids, the day was a success thanks to everyone who volunteered their time to help out.

Tuesday and Wednesday were the last two days to buyout for the Student vs. Staff baseball game. Don’t forget to wear blue and white in support of the student team, which hopes to be the champions this year.

Ridgetown College will be visiting on Wed., Oct. 11 at 9:20 for any Grade 12s interested in hearing about the school. Glow Dance sales start Thurs., Oct. 12, and the dance will be taking place on Fri., Oct. 20 from 7 p.m.-10 p.m. Don’t forget to bring in food for the food drive. Your last day to do so will be Fri., Oct. 13.

Stay tuned for more news from North Dundas.

The Road Home

Relax and be thankful

Carolyn Thompson Goddard
Record Correspondent

There is nothing like a rainy holiday Monday to give you a chance to curl up on a sofa and relax. Whether it is watching a golden oldie, catching up on some reading or perhaps just contemplating the meaning of life, it is important to take a minute to catch your breath now and then.

Too often in this hectic life we race around like chickens with their heads cut off and fail to take some time to enjoy the world around us. It is nice to take a few minutes to drive around looking at the trees as they change into their colourful autumn dresses, watch as the squirrels race here and there in a mad dash to collect enough food for the winter or listen to the honking of the Canadian Geese as they make their way south.

Soon the harvested fields and local bodies of water will be covered in geese as they gather to feed before continuing along their well established migratory route. The chatter and scurry of the squirrels will stop as they find a warm place to sleep and the leaves will fall to the ground leaving the branches bare.

All these signs will tell us that winter in the north country is not far away and it will be time to put away the lawn mower and bring out the snow shovel. Perhaps it is how Thanksgiving is one of the last opportunities to gather with friends and family without having to worry about the weather before winter arrives.

While it is always nice to have the best of what life can offer, perhaps noticing and appreciating the small things in our worlds is the key to happiness. The most important blessing to give thanks for around the dinner table may well be the people in our lives, sharing and caring as we go through the day.

Fire Prevention Week

Continued from the front

The family-friendly event provided an opportunity to meet local firefighters, get a close-up look at fire trucks, visit with Sparky the fire dog and play some games designed to reinforce fire safety rules.

2 Ways Maze, a game described by St. Pierre as an opportunity to simulate the planning and practising of two ways out of the home in an emergency, had players beginning in the middle and finding a way out to the first

There was a good turnout at the annual open house held at the South Dundas Fire Station in Morrisburg on Oct. 7. This was a kick-off event to Fire Prevention Week in Ontario which runs from Oct. 8-14.

exit and then to the second one.

This was the 6th annual Fire Station Open House in South Dundas and

Councillor Marc St. Pierre said it is hoped that this event will continue for many years as it provides

residents with an opportunity to meet their firefighters and learn about fire safety.

Christa St. Pierre, Public Education Officer for South Dundas Fire Services, explains to Sparky how to play the 2 Ways Maze, one of the games designed to aid in the education of the public in fire safety.

Dundas County's 50+ Wellness Day

Sandy Casselman
Coordinator, Linking Hands
Special to the Record

IROQUOIS – “Seniors should have the knowledge about what is available to them in their community so that they are able to stay in their home as long as they can,” Liz Taylor said, in her interview with Taryn Hoogeveen of the J.W. MacIntosh Seniors’ Centre in Williamsburg. Taylor and her husband Brian, both in their early to mid-70s, live in Iroquois. The two are planning to attend this year’s Dundas County 50+ Wellness Day on Thurs., Oct. 12. This free community service event will once again be held at Matilda Hall, which is located at 4421 Brinston Road in Dixon’s Corners, and things will get underway at 9 a.m. and wrap up at 1 p.m. Once again, there will be free lunch for the first 200 people.

Sponsored by J.W. MacIntosh Seniors’ Support Centre, Carefor Nor-Dun Seniors’ Support Centre, Chartwell Hartford Retirement Residence, Garden Villa Retirement Residence, Eastern Ontario Financial Services and both MP Guy Lauzon’s and MPP Jim McDonell’s offices, the 50+ Wellness Day is an opportunity for seniors, their families and their caregivers to find an abundance of information on various subjects, as more than 30 agencies or groups will be on hand to share senior-specific information.

“I’m looking forward to interacting with others and talking to them about their experiences,” said Liz. “There are also a lot of great presentations that I will be attending.”

This year’s presentation lineup includes: Funeral Planning with Marsden McLaughlin Funeral Homes, Community Support Services with J.W. MacIntosh and Carefor Nor-Dun Senior’s Support Centres, Provincial Services with MPP McDonell’s office, Disability Tax Credit with MP Lauzon’s office, Obesity and Chronic Disease Management with Eastern Ontario Financial Services and Care Tracker with Carefor-Eastern Counties’ Dianne Kuipers presenting on behalf of the Champlain Community Support Network.

Currently, the Taylors participate in several of the services provided through J.W. MacIntosh in Williamsburg. Both attend the Centre’s Exercise Program and the monthly Big Dinner Program. Brian attends the Centre’s Adult Day Program.

“Jennine, the [exercise] instructor, is great,” said Liz. “She is able to accommodate everyone and their abilities.”

Liz also loves the monthly dinners, which provide not only a meal, but informational entertainment as well.

“There was an excellent talk from the Vision Loss Rehabilitation Centre the other week. We went to the store after hearing the presentation to check out the talking watch [that was discussed during the presentation],” said Liz. The Vision Loss Rehabilitation Centre is one of the many agencies that will be in attendance on Oct. 12.

“Brian loves Adult Day. It’s social and there are great meals,” said Liz. “The staff and volunteers are great. I never have to worry, the volunteer always arrives on time to pick him up and is always happy to see him.”

The exercise class, monthly dinner and adult day program are just a few of the many services available to seniors. The Taylors also receive services for Brian through Champlain LHIN, physiotherapy and speech therapy, to a personal support worker.

“As a senior, I am so happy that we are able to receive these services at no cost. Otherwise, we would not be able to have these types of therapies for Brian,” said Liz.

The 50+ Wellness Day event was created to ensure area seniors have an opportunity to learn about what services and resources are available to them. The Taylors have found helpful and affordable (often free) services available that suit their needs and preferences. Organizers of this event are hoping that more seniors, their families and their caregivers will find the information they need to make life better, a bit easier and more manageable.

NOTICE OF OPEN HOUSE #2 ENVIRONMENTAL ASSESSMENT OF THE PROPOSED EXPANSION OF THE BOYNE ROAD LANDFILL, TOWNSHIP OF NORTH DUNDAS

The Township of North Dundas (the Township) has initiated a study under the *Environmental Assessment Act* to expand the Boyne Road Landfill Site (the site).

The site is the only municipal waste disposal site available for residents and businesses located in the Township. In late 2014, as part of regulatory approval processes, the Township was made aware that it had exceeded its approved landfill disposal capacity. To continue using the site in the short-term, an emergency Environmental Compliance Approval (ECA) was received and required the Township to evaluate waste management alternatives. The evaluation considered: site closure and waste export, site expansion, a new landfill and alternative waste technologies. The result of the comparative evaluation was that expansion of the existing site was the preferred

alternative. Based on the findings of this evaluation, the Council directed Township staff to pursue approval to expand the site. The site expansion requires approval under the *Ontario Environmental Assessment Act*. The purpose of the environmental assessment is to identify alternatives and study the potential effects of the proposed landfill expansion on the environment.

The Township is located in Eastern Ontario, in the United Counties of Stormont, Dundas and Glengarry, approximately 40 kilometres (km) south of Ottawa. The site is located along Boyne Road, approximately 1.5 km east of the Village of Winchester on Lot 8, Concession VI in the former Township of Winchester. The location of the site is indicated on the map below.

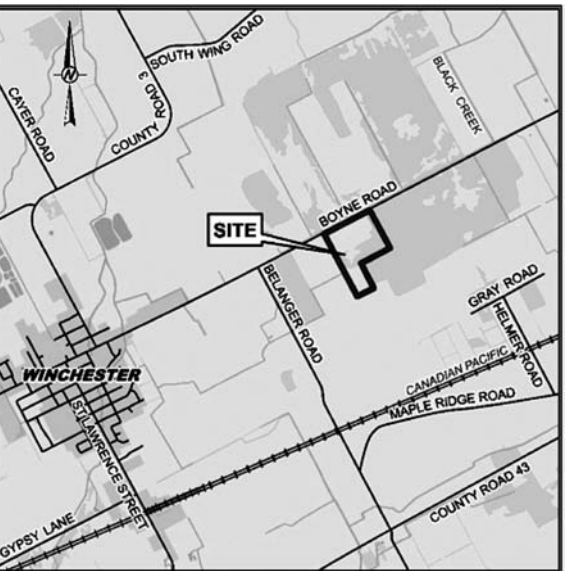

The Township wants community feedback on the proposed expansion of the Site and is hosting this second open house as follows:

October 26, 2017
Council Chambers in the Township Office
636 St. Lawrence Street, Winchester
5 – 8 p.m.

At this open house the public will learn about the proposed content of the Draft Terms of Reference for the EA, i.e., existing site conditions, alternative methods being considered for the landfill expansion, the proposed methodology and work plans for evaluating and comparing the alternative methods, and how to be involved in the EA process, as well as opportunities to provide feedback on the Terms of Reference. Attendees will have the opportunity to have one-on-one discussions with Township staff and the project consultant.

If you wish to be added to the project contact list, or have questions, please contact Township staff as noted below or visit the Township’s website at: <http://northdundas.com/town-hall/landfill-recycling/landfill/ea/>.

Live! At the Old Town Hall

October 2017 events

WINCHESTER – With cool weather and shorter days, October is the perfect time to sample a nice variety of events at the Old Town Hall. From a weekly coffeehouse, to get-togethers for adults

with small children, to opportunities to schmooze with your local business colleagues and a chance to help out an outstanding charity, there's lots to do this month.

Come in from the cold for some good conversation and live music! Winchester Open Mic Night runs every Thurs., 7 p.m. to 10 p.m. Proudly inclusive and open to all adult performers and audience members, this genuine 60's-style coffeehouse features an alcohol-free dollar canteen in a laid back atmosphere, with no cover charge.

The Township of North Dundas is hosting a North Dundas Business Breakfast on Thurs., Oct. 19, at 7 a.m. The cost is \$15 and pre-registration is required at <http://rec.northdundas.com> or by calling the Township at 613-774-2105.

The Dundas County Hospice will be holding a fundraiser on Sun., Oct. 22. For more information, call Lynn Gee 613-535-2215. Come and support this wonderful community institution and help make a difference in people's quality of life.

For information on booking a concert or special event, call the Township of North Dundas at 613-774-2105 and ask for Laurie Piche-Gibson. The Old Town Hall is located at 478 Main Street, Winchester, Ont., and is wheelchair and walker accessible by the side entrance. There is no accessible parking at the Old Town Hall.

RUSSELL TED MORRISON

OCTOBER IS CHILD ABUSE PREVENTION MONTH

Understanding Abuse and Neglect

We do not know and understand all the causes of child abuse and neglect, but we do know that parenting is a big responsibility. At times, parenting combined with other life stresses can break down healthy coping skills and lead to abuse and neglect of children and youth. Learning how to identify the different types of abuse and neglect will help you feel more confident in reporting your concerns.

Physical abuse

Physical abuse happens when a parent or another person in charge inflicts physical injury to a child 16 years of age or under. Physical harm that results from inadequate care, failure to supervise or protect the child or caused by a pattern of neglect by the person in charge is also physical abuse.

Sexual abuse

Sexual abuse happens when a parent or another person in charge sexually molests or uses a child 16 years of age or under for sexual purposes. Knowingly failing to protect a child under one's care from sexual molestation or sexual exploitation is also sexual abuse.

Emotional abuse

Emotional abuse occurs when a parent or another person in charge causes emotional harm to a child 16 years of age or under. Emotional abuse may be caused by verbal abuse, mental abuse, psychological abuse or exposure to domestic violence. Emotional abuse is often demonstrated by anxiety, depression, withdrawal, self-destructive or aggressive behaviour or delayed development. Failing to protect a child under one's care from emotional harm or denying services or treatment is also emotional abuse.

Neglect

Neglect happens when a parent or someone in charge

of a child 16 years of age or under does not provide for the child's physical, developmental, emotional or psychological needs. Neglect includes failure to provide proper food, medical care, clothing suitable for the weather, supervision, a clean and safe home and emotional support and affection.

Abandonment

Abandonment happens when a parent has died or is unavailable to exercise his or her custodial rights over the child 16 years of age or under. It may be that the parent hasn't made adequate provision for the child's care and custody. It may also be when a child is in a residential placement and the parent refuses, is unable or unwilling to resume the child's care and custody.

If you suspect that a child or youth is being harmed or is at risk of being harmed, please contact us and report your concerns right away.

Stormont County Plowing Match

Continued from the front

In addition to the standard classes, there was also VIP plowing in which SDSG MPP Jim McDonell, Deputy Mayor of South Stormont Tammy Hart, Mayor of North Stormont Dennis Fife, and South Stormont Councillor Richard Waldroff, participated in the plowing among other VIPs.

With the oldest plower being 87 and the youngest plower being nine, it is wonderful to see the multiple generations of plowing enthusiasts involved in this event, hopefully ensuring that it will continue on for many years to come.

Plowing results were as follows:

Class 1A Jointer Horse Plowing: 1st Samuel Bourgon, Dalkeith; 2nd Stephane Bourgon, Casselman; Class 1B Sulky Horse Plowing: 1st Ethan Jones, Brockville; 2nd Robert Jones, Brockville; Class 2A Antique Tractors

Annual Gear Head fundraiser not rained out

Gear Head barbecue organizer Glen McIntosh was pleased with the turnout for his 4th annual fundraiser with all proceeds supporting the Crysler volunteer fire department. The "Old cars, old bikes, old people and old machines" event was fairly well attended in spite of the rain on Sat., Oct. 7. Seen above, are firefighters Kevin Lapp (left) and Sylvain Lafrance manning the barbecue, while the boot drive for muscular dystrophy coincided in Crysler. Also for the boot drive cause were sales of 50/50 tickets being collected by North Dundas District High School students Jaymee Cranham (left) and Carly Walker earning volunteer hours (pictured below).

Celebrating Canadian Public Library Month

Carolyn Thompson Goddard
Record Correspondent

WILLIAMSBURG – October is Canadian Public Library Month and SDG County Libraries have events planned to celebrate the role libraries play in our lives. For centuries, libraries have been an integral part of the educational and social fabric of a community.

The SDG County Library Passport provides library members with the opportunity to visit the 18 library branches and express locations discovering the resources

available to patrons. Beverley Richmire of the Williamsburg Branch explained how members can pick up the passport at any branch and have it stamped, before beginning your library tour. The idea is to visit as many libraries in the system as possible, have your passport stamped and receive a ballot for a draw during the month of October.

Information on this and other activities in celebration of Canadian Public Library Month in SDG can be found at www.sdglibrary.ca/canadian-public-library-month.

Bonnie Omond of Williamsburg receives her SDG County Library Passport on Oct. 7 from Beverley Richmire at the Williamsburg Branch. This program, celebrating Canadian Public Library Month, is designed to provide an opportunity to visit the 18 library branches and express locations throughout the United Counties. Searching the past

During the Sept. 30 Open House at the Armoury in Cornwall hosted by the SDG Highlanders, Glen's Association member Gregory Pollard provided items from his personal collection regarding Lance Corporal George Pollard a member of the 1st Battalion, SDG Highlanders, who served during World War II. LCpl Pollard was killed at the Abbaye d'Ardenne in France by Germans serving under SS Officer Kurt Meyer along with over 40 other Canadian Prisoners of War. Pollard is shown holding a book he has written about the life of his uncle. Pollard has been working for a number of years to find photos of the Glens who paid the ultimate sacrifice during WWII, Korea and recent conflicts and can be contacted at gregorypollard5@gmail.com for more information or assistance in this project.

Farmers' Market finishes 2017 season

Carolyn Thompson Goddard
Record Correspondent

CHESTERVILLE – The rain didn't seem to deter people from visiting the Chesterville Farmers' Market on Oct. 7 as the market finished its 2017 season. Cheryl Beasley expressed mixed emotions as the market closed, mentioning how the end of season brings an opportunity to a bit of a rest but the vendors miss the

camaraderie with customers and fellow vendors.

There isn't much time for people to rest as the very successful Chesterville Farmer's Market Christmas market is planned for Nov. 18 at the Chesterville Legion with 39 vendors, the same as the 2016 event. Looking forward to 2018, Beasley said there are "big plans for 2018" which include a blue tourism sign being installed and a lot more still in the planning stages. For more information on the

It was a rainy Saturday as the 2017 Chesterville Farmers' Market held its last market day along the riverfront. There was no shortage of produce for sale or customers to purchase them.

Rockets move into second place

Jeff Moore
Record Staff

VANKLEEK HILL — The North Dundas Rockets had just a single game this weekend as they travelled to Vankleek Hill to take on the Cougars.

Rockets 5 Cougars 4

The North Dundas Rockets travelled to the Vankleek Hill Arena to take on the Cougars on Sat., Oct. 7, in the NCJHL. The Rockets went into the game with a 2-1 record after defeating the Cumberland Bandits 2-0 in their previous outing. The Cougars were coming off an 11-1 thrashing of the

expansion Bytown Royals the previous night and looked to carry some of that momentum forward.

The two teams battled to a scoreless opening period but the Rockets opened the scoring when newcomer, Connor Roth sniped one at 4:20 of the second period from Landon Veenstra and Brad Stitt on the power play.

The Cougars answered with two goals at 9:36 and 11:09 to take a 2-1 lead. The Rockets knotted the game at two when Shawn Simms snapped one home from Roth and Bryden Van Kessel with just 1:15

remaining in the middle frame.

The teams took a two-all draw into the second intermission. The Rockets made it 3-2 just 30 seconds into the third period as Veenstra powered one to the back of the net from Roth and made it 4-2 at 3:50 when Roth scored his second of the night from Simms and Veenstra.

The Cougars got back in the game at 9:15 to make it 4-3. The Cougars tied the game at four at 16:12. The Rockets' Simms was awarded a penalty shot after a player put their hand on the puck in the crease and

he made no mistake blasting one to the back of cage with just two seconds remaining in the game.

The Rockets killed the two seconds off for a 5-4 victory moving to 3-1 on the season good enough for a two-way tie for second place. Picking up the win in the Rockets' goal was Jason Buma.

Up next:

Fri., Oct. 13, at 8:30 p.m., Rockets vs. Jets, Larry Robinson Arena, Metcalfe; Rockets' home opener — Sat., Oct. 14, 7:30 p.m., vs. Blackburn Inferno, Chesterville Arena.

The North Dundas Rockets travelled to Vankleek Hill on Sat., Oct. 7, to take on the Cougars in the NCJHL. The Rockets' Alternate Captain Shawn Simms (13) scored two goals and picked up an assist to help the Rockets propel past the Cougars 5-4. Simms scored the game winner on a penalty shot with just two seconds remaining in the game.

Rob's review

Rob Sadler
Rockets' GM

CHESTERVILLE — Saturday night's game was not pretty, it lacked pace and intensity; but to come out on top is definitely two points we will put in the bank. Newly acquired Connor Roth had a big game, making his debut with the Rockets, scoring two goals and adding two assists. His line mates

were Landon Veenstra (3pts) and Shawn Simms (3pts). It was good to see that line together finally. When we acquired Roth we were hoping he would fit in on a line with those two guys, and it seemed to work.

From a General Manager's perspective there were still lots of positives, everyone put their nose to the grindstone and got our team the win. In a game like Saturday night that's all you can ask for, every win early in a season is a big win. The NCJHL only plays a 33 game

schedule, so the reality is that every two points you can get, counts.

I would also like to note that representatives from the Local Lions Clubs will be there on Sat., Oct. 14, to drop the puck in recognition of their sponsorship this year. Refreshments will be served at the rink, and we are looking forward to a good hockey game. The Inferno are an expansion team, but will bring a solid squad full of speed to the rink, it's shaping up to be a classic NCJHL game with lots of excitement.

Panthers drop two on weekend

WILLIAMSTOWN — The Embrun Panthers played two games this past weekend as they welcomed the Richmond Royals on Friday night and travelled to Williamstown on Saturday night to take on the Char-Lan Rebels.

Rebels 5 Panthers 3

The Embrun Panthers travelled to the Char-Lan Recreation Centre in Williamstown to take on the Rebels on Sat., Oct. 7, in the CCHL2. The Panthers went

into the game tied with the Casselman Vikings for second place with 15 points in the Martin Division. The Rebels sat in seventh place with only a pair of wins on the season.

The Panthers opened the scoring when Joey Archer slapped one to the back of the net from Frederik Lafleche and Jeremy Barrie just 1:51 into the first period to take a 1-0 lead.

The Panthers made it 2-0 when Marc Brosseau scored on a breakaway at 5:01 from Noah Haymes. The Panthers

took the 2-0 lead into the first intermission. The Panthers made it 3-0 when Jacob Lamont wrapped one around just 1:21 into the second period from Larcher and Lafleche on a power play.

The Rebels got one back at 8:40 on the power play. The Panthers took a major penalty for boarding around the 13-minute mark and the Rebels took advantage scoring a power-play goal at 17:24 to get to within one.

The Panthers took a 3-2 lead into the second intermission. The Rebels tied the game on another power play at 4:12 of the third period. The Rebels took a 4-3 lead at 10:09 surprising the Panthers on a breakaway. With time whittling down in the third period, the Panthers pulled their goalie at 1:17 in favour of an extra attacker but that plan backfired as the Rebels found the yawning cage with 17 seconds remaining and took the game 5-3 handing the Panthers their fifth loss in 13 games.

Suffering the loss in the Panthers' goal was Jean Pascal Sabourin making 34 saves on 38 shots.

Royals 5 Panthers 4

The Embrun Panthers welcomed the Richmond Royals to the Palais des Sports on Fri., Oct. 6, in the CCHL2. The Panthers went

into the game sitting in the second spot in the Martin Division with 15 points, two points ahead of the Casselman Vikings and the Ottawa West Golden Knights. The Barkley Cup finalists Royals got off to a bit of a tough start this season as they headed into the game with just three wins.

The Panthers opened the scoring when Jacob Lamont snapped one home from Nathan Brown and Sam Tremblay just 1:57 into the opening period. The Royals got that one back at 8:26 and took their first lead of the game with just 1:09 showing on the clock.

The Royals took a 2-1 lead into the first intermission. The Panthers tied the game just 1:48 into the second period as Justin Gagnon fired one to the back of the net from Tremblay and Lamont making it 2-2.

The Royals scored a power-play goal at 4:40 to retake the lead but the Panthers quickly knotted the game at 6:59 with a power-play goal of their own as Noah Haymes blasted one home from Marc Brosseau and Andrew Burke. The Royals closed out the period with two goals at 17:14 and with just 53 seconds remaining took a 5-3 lead into the second intermission.

The Panthers got to within one as Burke slapped one home from Brosseau and Haymes at 11:29 of the

third period. The Panthers kept the pressure on outshooting the Royals but nothing found the back of the net as the Royals took the game 5-4 and the two points.

Suffering the loss in the Panthers' goal was Jean

Sebastien Gratton making 24 saves on 29 shots.

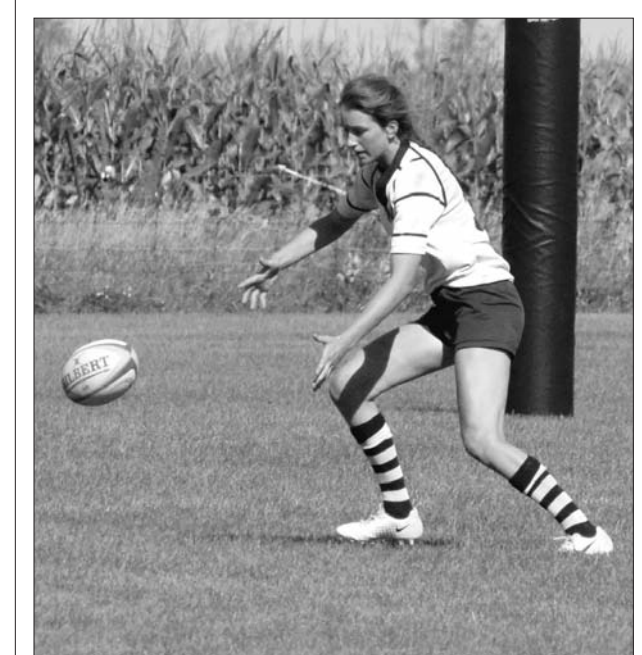

Up next:

Fri., Oct. 13, 8 p.m., Panthers vs. Alexandria Glens, Palais des Sports, Embrun; Sat., Oct. 14, 8 p.m., Panthers vs. Canadians, Carleton Place.

The Embrun Panthers travelled to the Char-Lan Recreation Centre in Williamstown on Sat., Oct. 7, to take on the Rebels in the CCHL2. The Panthers' rookie, Nathan Brown has been a pleasant surprise for the Panthers this season with four goals and two assists in 12 games. Unfortunately for the Panthers the Rebels took the game 5-3 handing the Panthers their fifth loss of the season.

Devils host fun Rugby 7s tourney

The North Dundas District High School Devils' Girls Rugby 7s team hosted a fun tournament on Fri., Oct. 6. The Devils had a split squad for the game and the white team won a game and lost three while the blue team split with two wins and two losses. The games were just for fun so there was no scoring statistic available. Here the Devils' Andrea Koch picks up the ball on a one hopper. Koch scored at least one try during their seven-minute halves. The Devils travel to Holy Trinity tomorrow Thurs., Oct. 12, for their second tournament of the season.

PERTH — The Casselman Vikings had just a single game this past weekend as they travelled to Perth to take on the Blue Wings on Friday night.

Viking 10 Blue Wings 0

The Casselman Vikings travelled to the Perth Arena to take on the Blue Wings on Fri., Oct. 6, in the CCHL2. The Vikings went into the game tied for fourth in the Martin Division with the Ottawa West Golden Knights with 13 points. The Blue Wings have had their struggles this year after being perennially at the top of the Richardson Division standings with just four wins

and sat in seventh place.

The Vikings opened the scoring when Ethan Wensink snapped one home from the high slot at 7:01 of the first period from Carter Malette and Ryan Sabourin to take a 1-0 lead. The Vikings took the 1-0 lead into the first intermission and outshot the Blue Wings 16-6.

Wensink scored his second of the game just 31 seconds into the second period from Malette and Yanick Dicaire to give the Vikings a 2-0 lead. The Vikings made it 3-0 when Joel Hunt scored a power-play goal at 4:24 from Brady Cloutier and Olivier Brunet.

The Vikings continued to press the Blue Wings scoring

four more unanswered goals at 6:11 as Sabourin pounded one home from Brunet and Shane McCrank, at 9:53 when Brunet snapped one to the back of the net from Brendan Doherty and Dicaire, at 13:15 as Hunt scored his second of the game from Cloutier and Jonathan Yaremko and again at 15:56 as Doherty fired onetime from Sabourin.

The Vikings took a 7-0 lead into the second intermission. The Vikings' offence showed no signs of slowing down in the third period as Malette sniped one from Dicaire at 3:43 and Wensink completed his hat trick with a goal at 16:30 on the power play from Malette

and Sabourin to make it 9-0.

The Vikings closed out the scoring when Doherty scored his second of the game from Sebastien Plante and Hunt with 2:25 remaining in the game. The Vikings took the game embarrassing the Blue Wings 10-0 on their home ice. Picking up the win in the Vikings' goal was Zachary Paputsakis making 29 saves for the shutout.

Up next:

Thurs., Oct. 12, 8 p.m., Vikings vs. Renfrew Timberwolves, J. R. Brisson Complex, Casselman; Fri., Oct. 13, 8:15 p.m., Vikings vs. Hawks, Joel Steele Community Centre, Winchester; Sun., Oct. 15, 7:30 p.m., Vikings host Ottawa West Golden Knights.

The Casselman Vikings picked up their second shutout in as many weeks but it was with Zachary Paputsakis this week as the Vikings shot down the Perth Blue Wings 10-0 on Fri., Oct. 6, in the CCHL2. This season Paputsakis has a 4-1-1-0 record with a save percentage of .931 and a goals against of 1.99.

ATHENS—The Winchester Hawks had three games this past weekend as they welcomed the Ottawa Canadians on Friday night, travelled to Athens to take on the Aeros on Saturday night and then off to Carleton Place to take on the Canadians on Monday afternoon.

Canadians 5 Hawks 2

The Winchester Hawks travelled to the Carleton Place Arena on Mon., Oct. 9, to take on the Canadians in the CCHL2. The Canadians were relocated from Clarence Creek after being bought out by the Carleton Place Canadians of the CCHL as part of their system.

The Canadians sat on the top of the Richardson Division heading into the game while the Hawks were at the other end of the standings in the Martin Division. The Canadians opened the scoring just 37 seconds into the first period taking a 1-0 lead.

The Canadians made it 2-0 at 5:12 and took that lead into the first intermission. The Canadians scored two more consecutive goals at 6:35 and 12:37 of the second period opening up a four-goal lead. The Hawks finally got it going on the power play scoring with just 1:22 remaining in the middle frame as Hunter Randell fired one home from Miguel Pare.

The Canadians took the 4-1 lead into the second intermission. The Canadians took a 5-1 lead at 7:58 of the third period but the Hawks answered with another power-play goal by Dillion Clemen at 9:43 from Evan Landry and

Kyle Kuehni.

The Hawks tried to get closer but the Canadians' defence held them at bay taking the game 5-2. The Canadians outshot the Hawks 44-23. Suffering the loss in the Hawks' goal was Brent Pledge-Dickson making 39 saves on 44 shots.

Aeros 7 Hawks 2

The Winchester Hawks travelled to Centre 76 in Athens to take on the Aeros on Sat., Oct. 7, in the CCHL2. The Hawks are off to one of their worst starts this season with only one win and sit at the bottom of the Martin Division. The Aeros sat in third place in the Richardson Division with five wins and four losses.

The Hawks opened the scoring at 7:01 of the first period as Griffin Patterson swatted one home from Neil Gummeson and Joey Driscoll to take a 1-0 lead. The Hawks took the 1-0 lead into the first intermission.

The Hawks fell asleep at the wheel to start the second period allowing two goals against in the first minute of play. The Aeros scored just 36 seconds in to the period on the power play and again at 44 seconds to take a 2-1 lead.

The Aeros took a 3-1 lead at 5:49 and carried that leading the second intermission. The Aeros scored three more goals to start the third at 5:50 on the power play, 6:50 and 7:30 to take a 6-1 lead.

The Hawks made it a 6-2 game as Kyle Kuehni sniped one from Evan Landry and Dillon Clemen at the nine-minute mark. The Aeros made it 7-2 at 15:46 but the Hawks answered with 1:56 remaining as Gummeson banged one home from Paterson and Driscoll.

The Hawks fell to the Aeros 7-3 and have

The Winchester Hawks welcomed the Ottawa Canadians to the Joel Steele Community Centre on Fri., Oct. 6, in the CCHL2. One of the Hawks bright spots this season was the acquisition of Kyle Kuehni from these Canadians. In 10 games Kuehni has two goals and four assists and 6 points and is third in scoring on the Hawks. The Hawks dropped the game 7-1.

dropped eight straight games. Suffering the loss in the Hawks' goal was Conor Lahey making 23 saves on 30 shots.

Canadians 7 Hawks 1

The Winchester Hawks welcomed the Ottawa Canadians to the Joel Steele Community Centre on Fri., Oct. 6, in the CCHL2. The Hawks have struggled both home and away this season and only have one win for their troubles as they looked to gain some momentum heading into this busy weekend.

The Ottawa Canadians sat in second place in the Martin Division and got off to a great start to their season with a 6-0 record before dropping one game. The Hawks got into some discipline trouble in the first period taking a few penalties and the Canadians capitalized on two of them at 3:56 and 13:30 of the first period and took a 2-0 lead into the first intermission.

The Canadians scored the only two goals of

the second period at 9:30 and 14:17 both at even strength. The Canadians outshot the Hawks 22-2 in the second period and took a 4-0 leading the second intermission. The Canadians continued to put it to the Hawks scoring another three goals at 11:31, 15:18 and 15:27 to take a 7-0 lead.

The Hawks spoiled the Canadians' shutout bid with 1:31 remaining as Kyle Kuehni pounded one to the back of the net from Ryan Mann and Miguel Pare but it was too little too late as the Canadians took the game 7-1. Suffering the loss in the Hawks' goal was Brent Pledge-Dickson making 41 saves on 48 shots.

ST. ANDRE AVELIN—The Morrisburg Lions had two games this past weekend as they welcomed the Blackburn Inferno on Saturday night before travelling to St. Andre Avelin on Sunday afternoon.

Vikings 13 Lions 1

The Morrisburg Lions travelled to St. Andre Avelin on Sun., Oct. 8, to take on the Papineau Vikings in the NCJHL. The Lions were coming off a tough loss to the Blackburn Inferno the previous night. The Vikings sat in the first-place tie with the Gatineau Hull-Volant with four wins on the season.

The Vikings jumped out to an early lead just 1:25 into the first period and added three more consecutive goals at 2:46, 6:51 and with 1:10 remaining taking a 4-0 leading the first intermission.

The Lions didn't have a chance to catch their breath

before the Vikings continued with four more goals at 5:58 on the power play, 6:07, 12:15 and 12:35 taking an 8-0 lead.

The Lions got one back at 17:01 when Alec St. Gelais slapped one from Zach LeBlanc but the Vikings closed out the second period with a goal with 1:20 remaining and took a 9-1 lead into the second intermission.

The Vikings scored four unanswered goals in the third period at 5:31, 9:50, 11:47 and 17:42 and took the game 13-1. Suffering the loss in the Lions' goal were the tandem of Justin Lalonde and Dean Gauvreau. The Lions played with just 12 skaters.

Inferno 7 Lions 5

The Morrisburg Lions welcomed the Blackburn Inferno to the Finch Arena on Sat. Oct. 7, in the NCJHL. The Lions have had a decent start to their season

being in every game they played but only have one win to show for it. The Inferno also had one win on the season and were tied with the Lions for ninth place.

The Lions jumped out to a 1-0 lead when Zach LeBlanc snapped one home from Kirk Gauvreau just 14 seconds into the first period to take a 1-0 lead. The Inferno tied the game on a power play at 11:46 but the Lions retook the lead at 14:55 when Thomas Ouderkirk fired one home from Gauvreau.

The Inferno tie the game again at 17:11 and the teams took a two-all draw into the first intermission. The Lions regained their lead when Alec St. Gelais slid one to the back of the net from Brian Landry and LeBlanc at 5:47 of the second period.

The Inferno exploded for three goals at 6:04, 8:51 and 13:34 to take a 5-3 lead. The Lions got one back at 16:37 when Landry fired one home from St. Gelais and Jordan Smail.

The Inferno took a 5-4 lead into the second intermission. The Inferno made it 6-4 just 2:46 into the third period and 7-4 at 9:58. The Lions made it 7-5 at 13:12 when Gauvreau scored from Billy Farrell and

Spencer Heldens but that was as close as they would get as the Inferno left town with two points and a 7-5 victory.

Suffering the loss in the Lions' goal was Justin Lalonde.

Up next:

Fri., Oct. 13, 8:30 p.m., Lions vs. Bytown Royals, Bernard Grandmaitre Arena, Ottawa; Sat., Oct. 14, 7:30 p.m., Lions vs. Clarence Castors, Benson Centre, Cornwall.

Bantam B Rep Lions ready for regular season

The South Dundas Bantam B Rep Lions played three preseason games prior to the start of their regular season as they travelled to Brockville on Thurs., Sept. 28, to take on the Braves, then to Long Sault on Sat., Sept. 30, to take on the South Stormont Selects and finally to Prescott to take on the South Grenville Rangers on Tues., Oct. 3. North Dundas and South Dundas will again this year amalgamate into one team. The team members are Brendan Shaver, Jordan Papineau, Nolan Henry, Lucas Menard, Owen Fetterly, Cole Eikelboom, Kolby Latulippe, Joshua Broad, Mason Carr, Stefan Kronstal, Spencer Barclay, Emytt Fetterly, Keiran MacQueen, Jaymen Heuff, Chase Berube and Mclean Machan. The Lions came up short in both games but that didn't curb their anxiety.

Fire Prevention Week

Every Second Counts:
← PLAN 2 WAYS OUT! →

Five ways to fireproof your home

According to Fire Prevention Canada (FIPRECAN), residential fires account for 73 per cent of all reported fires across the country. It's true: fire hazards lurk in every corner of your home; however, being aware of potential dangers and knowing how to proactively manage those risks can significantly reduce the chances of your home catching fire. Here are five ways to fireproof your house and keep your family safe:

- 1. Fireproof furniture.** Apply an environmentally friendly fire retardant spray to your couches, curtains and rugs, and opt for fire-resistant carpeting instead of wool or synthetic fibres that burn more easily. Nowadays, fire-resistant carpets come in a variety of colours and styles to complement your home décor.
- 2. De-clutter.** A messy house is a breeding ground for fires.

Every month, clear your closets, attic and garage from unwanted junk that risks catching fire. Stacks of paper, boxes and linen are especially flammable.

- 3. Clean lint traps.** Many residential fires start with household appliances. A clogged lint trap in your dryer, for example, can overheat and catch fire. Check your lint traps regularly for any obstructions.
- 4. Don't overload power outlets.** Electrical short circuits are among the leading causes of house fires. Avoid overburdening power bars with too many plugs, and make sure plugs fit tightly in their sockets. A loose fit can cause sparks to fly.
- 5. Scrub kitchen burners.** Dried grease and food splatters can ignite at high temperatures. Make sure to regularly give your burners and stovetop a good scrub to avoid any mishaps in the kitchen.

Caisse populaire Trillium supports Health Hub

Candice Vetter
Villager Staff

LIMOGES – The eight branches of Desjardins Caisse populaire Trillium presented \$50,000 to the new Limoges Health Hub, at the site at 601 Limoges Rd. in Limoges, on Thurs., Sept. 28. A branch is situated in Limoges just down the street, and at the presentation general manager Normand Leroux said, “This new health centre will stimulate economic development and help the growing population of Limoges thrive.” He and other officials from the Caisse populaire stated they feel the venture will attract additional businesses and residents to the area, which is good for everyone.

The centre will celebrate its grand opening at 1 p.m. on Fri., Oct. 13 at 601 Limoges Rd. in Limoges. Since its inception the volunteer committee, which took the lead on getting the health centre for Limoges, have been amazed at the community response.

First St. Joseph Developments offered to build the building and assume much of the risk, then politicians at municipal and provincial levels sanctioned it eagerly, including a \$425,000 grant from the

province, presented in person by Premier Kathleen Wynne last fall.

Other organizations have donated time or money or both, including extensive support from The Nation Township and the Nation (Limoges) Fire Department, and future patients are eagerly signing up with the nine doctors the centre will house. There was almost immediate uptake by physicians, a dentist, a nurse practitioner, numerous other health professionals, including mental health professionals, and a Guardian Pharmacy, which is open on the building’s main level.

This latest donation from Desjardins Caisse populaire Trillium adds to the \$12,500 it donated in 2013 to help the volunteer committee canvas.

The caisse populaire’s board of directors made the unanimous decision to confirm a donation of \$50,000 at a board meeting in Orleans recently. Board chair Pierre Benoit said how to spend the money put into their Community Development Fund every year is decided by members at the annual general meeting. The fund is dedicated to supporting the socio-economic development of the community, of which this project is a perfect example, serving the physical, social and

Shirley Racine, who is the lead volunteer getting this project off the ground, said they have had inquiries about the centre in a wide

radius around Limoges, including the townships of Russell and Nation, and numerous other communities, so it appears to be filling an important need.

Burned-out car found in field

RUSSELL – A burned out car was found in a small copse of trees in a field in North Russell on the morning of Thurs., Oct. 5. It had not been there 36 hours earlier, and the large fire and black smoke were not noticed by area residents, so it likely was burned late at night. It appears the driver had taken it through a rough ditch, partway into the field, and into the trees before it was lit on fire.

OPP were on the scene within 15 minutes after being called. After some investigation officers said the vehicle had not been reported stolen. There were

no obvious signs of anyone other than the license plate. leaving the area and nothing Police continue to personal was recognizable investigate.

NORTH RUSSELL – Police are seeking witnesses and members of the public who may have seen, or who may have stopped afterward to help, an accident on Boundary Rd. at the eastbound exit from Hwy. 417, shortly before 8 p.m. on Wed., Oct. 4.

The three-car collision resulted in three people injured and transported to hospital, one of whom succumbed to wounds and was declared dead at the hospital.

The police release stated that several

unidentified persons stopped at the scene after witnessing the accident, but left before being identified or providing statements to the police. Ottawa Police said, “It would be greatly appreciated if anyone who witnessed this accident please contact the Ottawa Police Service Collision Investigations Unit at 613-236-1222 ext 2481.”

Anonymous tips can be submitted by calling Crime Stoppers toll-free at 1-800-222-8477(TIPS) or by downloading the Ottawa Police iOS app.

VAWBN alumni meeting for anniversary suggestions

VARS – About 30 women have been invited to a special breakfast meeting of the Vars and Area Women’s Business Network on Wed., Oct. 18 at 9 a.m.

VAWBN members and alumni are asked to respond to Julie D’aoust at

juliehealth@hotmail.com so that sufficient seating at KC’s Restaurant in the Highway 417 Industrial Park off St. Guillaume can be assured.

Attendees are asked to please bring ideas and suggestions for the VAWBN celebration next summer,

2018, which will be the group’s 20th anniversary.

For more information about the VAWBN and the local businesswomen who belong, see www.vawbn.ca. The business network holds both breakfast and evening meetings every month.

Trees for new playground

RUSSELL – Eight trees were planted at the playground outside the Jean Paul St. Pierre Building which houses the Russell branch of the library on Thurs., Oct. 5.

Earlier this year the playground had been moved from near the ball diamond to accommodate the skate park. The new site was handy for parents and children with the library right there, but the play structure’s new location at the library was in an open field with no trees.

Many residents

commented on this, so when the committee for the Canada 150 parade met they decided that awarding public trees for the 1st, 2nd, and 3rd place floats would be appropriate.

South Nation Conservation, Barry’s Home Hardware and Trees Canada donated nine tall saplings and all but one were planted at the library site. The parade float winners were the Russell Fire Department, Russell and District Horticultural Society and Russell Kin Club. One of the Kin

Club’s trees will be planted at the new sports dome.

On hand at the tree planting was Rebecca Taylor of Trees Canada, Brad Hoffman from Home Hardware’s head office as well as Ken Carscadden and staff. Other interest groups were the Russell and District Horticultural Society and Trees for Tomorrow. Cindy Cluet of Beyond the House selected the trees and locations.

From Russell Township Mayor Pierre Leroux and Councillors Jamie Laurin, Andre Brisson and Cindy Saucier all attended.

Starting Breast Cancer Awareness Month

Candice Vetter
Villager Staff

EMBRUN — The Township of Russell has officially resolved that October is Breast Cancer Awareness Month and started by raising a flag symbolizing the fight against breast cancer in front of the Russell Township hall in Embrun on Fri., Sept. 29.

Over 100 people crowded into the municipal chambers beforehand, where Marie-Claire Ivanski, who started the Friends for Life initiative, thanked everyone who helps the cause against

breast cancer in any way.

Russell Township Mayor Pierre Leroux, MPP Grant Crack and MP Francis Drouin also spoke.

Ivanski praised her supporters, which helped raise many thousands of dollars this year. Two Bingos raised several thousand, \$7,200 was raised with the help of Marcel Beauchamp and Claire Desrosiers at the Victorian Tea, Salon de la Femme raised \$12,000, the Hawkesbury Hawks raised \$3,000, Scotiabank Russell contributed matching funds, and other organizations,

persons and businesses provided support, including Jean Yves Dionne, Co-operators Insurance Casselman, Caisse Populaire, Francis Latour, Corvinelli Homes, Diane Hayes of Kelly's Boutique, Pierre Carriere, Michel Dupuis, Victoria's Quilts, Gathering Stitches in Chesterville, and Francis Dallaire, among many others.

Also on hand was Shannon Kingsley, of Run for the Cure in Ottawa. She spoke briefly and thanked those present, saying, "The hard work and dedication

you do for the cause does not go unnoticed."

Ivanski and Kingsley both stated that in February of this year the Canadian Cancer Society and the Canadian Breast Cancer Foundation had merged. Breast cancer is the most commonly diagnosed cancer in women. Kingsley said about one in eight people on average will develop breast cancer in Canada, with a much higher rate in this region. There is also some good news, which is a 40 per cent decrease in mortality since 1980 in persons with breast cancer.

Joining the cause

GPR MP Francis Drouin was one of the special guests present at the flag-raising ceremony. Also present were GPR MPP Grant Crack, Russell Mayor Pierre Leroux, Friends for Life founder Marie-Claire Ivanski, and about 100 supporters and cancer survivors. Vetter photo
